

# Pupil Premium Report

At St. Vincent's we have high expectations for our children and we believe that no child should be left behind. We recognise that it is the passion and thirst for knowledge that makes the difference between success and failure at school: not where you come from. Thus, we develop a love of learning in all St. Vincent's pupils so each child has the opportunity to realise their full potential. Pupil Premium funding plays a critical role in supporting the school in achieving this goal. The grant represents a significant proportion of our school budget and this report outlines how we ensure it is spent to maximum impact.

## **2022-23**

In 2022-23 St. Vincent's RC Primary School received a pupil premium grant of £177,801.00

The 2022-23 Pupil Premium grant was used to address three key targets:

1. To close the gap between pupils eligible for Pupil Premium funding and those not eligible for the funding.
2. To raise academic attainment for pupils receiving Pupil Premium funding.
3. To improve attendance for Pupil Premium pupils.

## **Pupil Premium Spending**

Our pupil premium money is used in three fundamental ways:

Intervention: we provide a range of targeted support for our children. Intervention programmes ensure pupils catch-up and keep-up with their peers. In 2022-23 St. Vincent's Intervention Team consisted of 1 qualified teacher, a child-psychotherapist and a home-school coordinator. Pupil Premium funding also pays the salary of an additional part-time teacher to provide quality catch-up following Covid19.

Learning outside the Classroom: to raise academic attainment and progress the Pupil Premium grant funds a minimum of one Educational Visits per term to develop understanding of the world and to provide inspiration and motivation for learning.

Year 6	Washington Old Hall	Theatre Royal	Sunderland University	Beamish Museum	Eden Camp	Holy Island Residential

Attendance incentives: Our Breakfast Club not only provides a nutritious start to the school day but also provides our families with a convenient and efficient morning routine. Whilst Greggs and British Engines generously the majority of costs for food, the Pupil Premium grant pays for the remainder of food plus the wages of the 5 employees who run the club. Additionally, the school's attendance reward scheme is funded by the Pupil Premium grant.

## IMPACT

### Closing the gap & raising achievement for Pupil Premium pupils:

62% of St. Vincent's pupils are eligible for Pupil Premium (PP) funding. Summer 2023 statutory test results reflect the significant benefits this funding awards our pupils. Every statutory test result was above the National Average (Nat Av) and Newcastle Local Authority average (LA Av).

## 2023 SATs and Assessments

MATHS	72.9%	74.0%	73%	90%

15 of the 30 children in Y6 were eligible for PP funding: 50%

Year 6 SATs	St. V's Pupil Premium	St. V's Non-PP	Ncl LA PP	NA PP
Reading, Writing & Maths	87% @ EXS	66% @ EXS	49% @ EXS	41% @ EXS
Reading	93% @ EXS / 40% @ GDS	73% @ EXS / 20% @ GDS	64% @ EXS	60% @ EXS
Writing	87% @ EXS / 27% @ GDS	87% @ EXS / 06% @ GDS	62% @ EXS	58% @ EXS
Maths	93% @ EXS / 13% @ GDS	87% @ EXS / 20% @ GDS	64% @ EXS	59% @ EXS

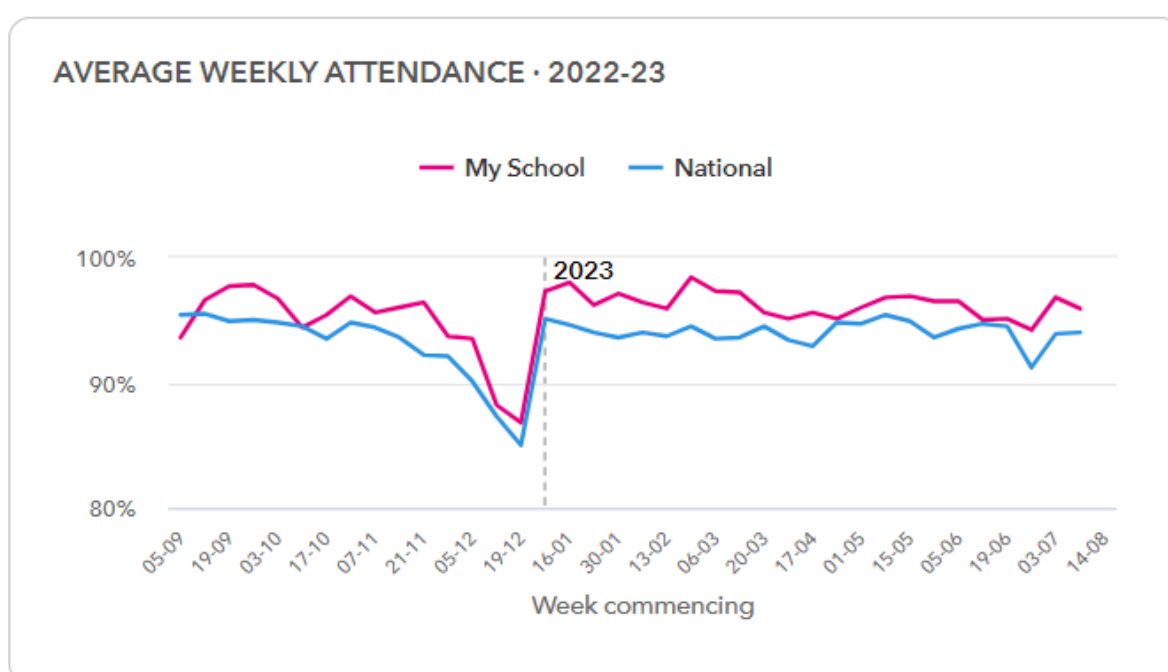

All test results for St. Vincent's Year 6 pupils eligible for Pupil Premium funding are above the school's results for non-pupil premium Y6 children. The St. Vincent's PP results are also above the Newcastle and National PP results.

Consequently, PP pupils' results for Y6 statutory tests indicate that the funding is used successfully and has a positive impact of the pupils' progress and attainment.

2022-23 end-of-year data analysis informs that pupils who received tailored intervention programmes, including the employment of a 'catch-up teacher', made good or better progress. Thus, pupils operating at a slower pace were given support to catch-up with their peers, whilst individuals experiencing specific short-term difficulties were supported to ensure they did not fall behind.

**Improving attendance:** Breakfast Club has played a critical role in St. Vincent's improving attendance and punctuality data. The introduction of the Winits incentive scheme in 2016 continues to be both popular and effective. However, the well-publicised national reports of poor school attendance post Covid19 has not escaped St. Vincent's.

However, Fischer Family Trust (FFT) data indicates that St. Vincent's 2022-23 attendance data is above the FFT average.

Cohort		PP	xPP	Boys	Whole School Attendance <u>PER TERM</u> for 2022-2023

## **2023-24**

For 2023-24 it is anticipated that St. Vincent's RC Primary School will receive a Pupil Premium Grant of £177,510.00

This grant will be used to:

- further raise the academic achievement of PP eligible pupils
- further expand pupils' educational opportunities and experiences
- further improve the attendance of PP eligible pupils

These targets will be met by:

- ✓ providing a range of targeted support for children to ensure they catch-up and keep-up with their peers. For 2023 -24 St. Vincent's Intervention Team will be led by:
  - 1 experienced teacher to manage and monitor academic progress and achievement
  - 1 child-psychotherapist to support and supervise pupils' mental and emotional wellbeing
  - 1 home-school coordinator to guide, inform and support parents/carers
- ✓ employ an additional teacher to support our continuing catch-up schedule
- ✓ providing regular opportunities to learn outside the classroom. Each class will engage in, at least, one Educational Visit each half term to inspire and motivate learning: including residential trips for Y4, Y5 and Y6
- ✓ providing a daily nutritious breakfast: free of charge and at a convenient time for parents (7:30am start)
- ✓ running an attendance incentive programme
