Two classes visited The Laing Art Gallery this week. On Tuesday, Year 5 explored the shape and form of sculptures.

Then, on Wednesday, Y2 scurried-off to The Laing to explore and reproduce the printing style of the word famous designer, William Morris.

On Thursday afternoon, sixteen Y4 pupils made their First Confession with Fr Jojo.

If it is snowing or raining heavily, please remember that you can send your child into school wearing wellies or boots. They will change into plimsoles when safely in school. Thank you.

We often remind ourselves at St. Vincent's that our pupils will be the doctors, solicitors, architects, journalists and engineers of the future. Indeed, we are reassured by this prospect, knowing how clever, caring and hardworking they all are.

To give Year6 a glimpse of what it is like to study for a professional career, on Tuesday, Mrs Burdon took the children to Sunderland University for the day.

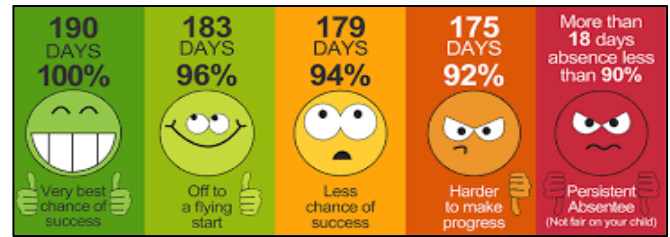

It was all hustle-and-bustle at the Winit's Emporium this week. Our canny shoppers snapped-up some super trinkets.

ATTENDANCE

“Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – pupils need to attend school regularly to benefit from their education. DfE

Attendance for last week	
Rec	96.6%
Y1	98.6%
Y2	99.0%
Y3	98.0%
Y4	93.6%
Y5	93.3%

You'll never believe it, but **Y2** are at the top of the table AGAIN! Amazing, bravo Y2. Well done to Y1 and Y3 for also hitting the school target of 98%

Rec, Y1, Y2 and Y3 certainly got off to a great start for this term. Of course, it's not too late for Years 4, 5 and 6 to catch-up.

We saw our first flurry of snow this week: it was very, very exciting.

Q. What do snowmen eat for breakfast?

A. Frosties!
