Y3 donned their botanists' caps on Tuesday when they enjoyed a day of botanical exploration at The Rising Sun Country Park.

As Y5 is investigating our Northeast heritage of shipbuilding, Miss Willis took her class to The Discovery Museum on Tuesday: and what an exciting day of discovery it was too.

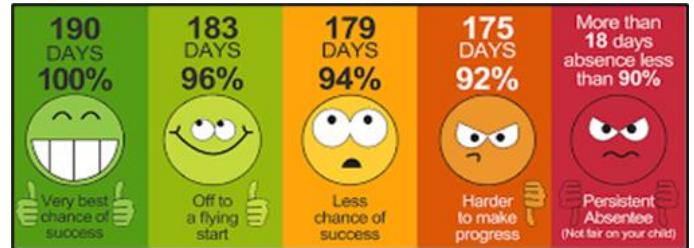

Unfortunately, the City Council no longer runs the Level1 Bikeability programme for Y4 pupils (just Level2 for Y5). So, we decided to organise our own 'cycling for beginners' day at St. Vincent's. On Thursday, Mr Wylie and Mme Machane worked with small groups of children to build confidence and develop their cycling skills. Now, every pupil in Y4 can ride a bike: success, ting-ting!

## ATTENDANCE

*“Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – pupils need to attend school regularly to benefit from their education.” DfE*
