Y6 to the Cinema

Y3's Local Hero is Jackie Milburn, the great Georgie goal scorer and scorer of great goals! The class headed-off to St. James' Park on Monday to learn about 'Wor Jackie' and many other marvellous footballing facts. *Howay-the-Lads!*

It was Science Week this week at St. Vincent's and our Y6 scientists introduced all other year groups to a range of amazing and exciting science experiments: the dancing raisins were a huge hit!

A Police Officer visited Y6 on Thursday to inform the class about knives and knife crime: both the law and the tragic consequences of committing this crime.

There was lots for the children to learn, notably that it is illegal to have any sharply pointed or bladed instrument in your possession, in a public place, without good reason.

The Winit's Emporium was open for business this week and our savvy savers snaffled some super rewards for their great attendance.

It was football fever at St. Vincent's this week with matches for both our Under 9s and Under 11s. Mr Wylie (sports coach) was thrilled by the outstanding performances of both teams and shout-outs go to Mason and Sadie (Y4) for speed, stamina and great determination and also to Joey (Y5) for superb agility and ball control.

ATTENDANCE

“Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – pupils need to attend school regularly to benefit from their education.”
DfE

Summer1 Attendance	
Rec	98.3%
Y1	86.6%
Y2	97.5%
Y3	98.7%
Y4	94.1%
Y5	97.5%
Y6	94.1%
All	95.3%

Well done, Y3, for an impressive 98.7%. Similarly-so for Reception with their 98.3%. Our overall figure of 95.3% tells us there were too many empty chairs in school this week. So, it will be a double dose of dettol spray and hand sanitiser for every class next week!

Let's hope we have fewer poorly pupils next week.

Did you hear the joke about the germ? Well, I'm not telling you because I don't want to spread it around!
