Thursday 24th October

Y5 Bikeability (group 2)

Friday 25th October

Witches & Wizards Disco

Monday 28th Oct - Fri 1st Nov

Half-term holiday

Monday 4th November

Back to school – hooray!

On Thursday, Y6 stepped back-in-time and entered the world of King Henry VIII. The children soon learnt that life in Tudor times was luxurious for a few but dreadfully difficult for most. Many people, including children, worked for the Lord and Lady of the Manor for very little money and in very poor conditions.

School Council elections took place this week with all candidates presenting their pledge to speak for their classmates with commitment and conviction. 'Well done' to all candidates and a very big 'well done and good luck' to each elected class councillor.

Every Y6 class at St. Vincent's visits **Safety Works** - an interactive centre that provides innovative learning experiences for children to participate safely in realistic situations: illustrating every-day hazards and how to prevent them. On Wednesday, our new Y6 pupils learned lots of strategies and skills to keep themselves safe when out-and-about in their free time.

Y6 pupils have many school responsibilities that promote personal development. In addition to helping their Reception buddies during breaktimes, Y6 pupils also carry-out lunchtime corridor patrols (policing the corridors to prevent running and loitering) and answer the school office phone during the lunchtime break. 'Thank you, Year 6'.

ATTENDANCE

*"Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – **pupils need to attend school regularly to benefit from their education.** DfE*

Last Week's Attendance	
Class	Attendance
Reception	Home Visits
Year 1	96.6%
Year 2	96.6%
Year 3	92.7%
Year 4	96.6%
Year 5	98.3%
Year 6	90.0%
All	95.1%

A great New-School-Year start for Y5 by sitting at the top of the Attendance Table and hitting our school target of 98%, bravo Y5!

Lessons are well-underway and everyone is soaking-up their new 'sticky knowledge'.

'How many hours are there in a year?' asked the teacher. '8,760' replied the child.

'How many **minutes** are there in a year?' asked the teacher. '525,600' replied the child.

'How many **seconds** are there in a year?' asked the teacher. '12' replied the child.

'What?' bellowed the teacher. '12' replied the child, 'January 2nd, February 2nd, March 2nd...'

Our next Statement to Live By is: **I can say how I feel**

Our next British Value is: **Individual Liberty**

Our next Faith Duty is: **Participation**
