Back to school – hooray!

On Tuesday, Y2 spent the day at The Castle Keep, in Newcastle, researching life in a medieval castle for their history topic.

Y4 is learning about The Mediterranean this half-term in Geography so, on Wednesday, the class was introduced to the delicious cuisine of southern Europe at El Coto restaurant. Muy Bueno!

Y6 pupils have just learned which secondary school they will be attending in September. However, after an amazing day at Newcastle University on Monday, the children are already planning which degree course they will take in **2032!** We are pleased to introduce you to the doctors, engineers, meteorologists, politicians, architects...of the future.

We are all very proud of our North-East heritage and Y3 is thrilled to be studying coal mining in history this half-term. The class had an amazing day at Woodhorn Colliery on Wednesday.

Hilarious Hair and Non-Uniform for

Red Nose Day on Friday 21<sup>st</sup> March

Our next Statement to Live By is: **I try to keep going when things get tough**

## ATTENDANCE

“Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – **pupils need to attend school regularly to benefit from their education.**”

Bravo Y4 and Y6 for hitting the jackpot, fantastic! Indeed, every class met the DfE attendance minimum 'off to a flying start' expectation of 96%. It's great to be ...

## ...in-it-2-winit!

Y3 can answer lots of questions about coal mining, but can they answer this one?

Q. Why was the coal sad at school?

A. It was being picked on!
