

Bubble Rules for Children

Classrooms

- You must use hand sanitiser every time you enter or leave the classroom
- You must only use equipment from your pencil case
- You must put your hand up if you want the teacher's attention

Corridors

- When moving through school, go in the direction of the red arrows
- You must follow the one-way loop to return to your classroom
- You must walk in single file and 2m apart

Playtimes

- You must listen carefully to your teacher's instructions
- You must play in your classes' playground zone
- You must only play with children from your class

Toilets

- You must go in the direction of the arrows
- You must walk 2m behind the person in front of you
- You must wash your hands before and after using the toilet
- If you need the toilet during lessons, an adult will escort you to the toilet.
